**Apply  
Early for  
Summer  
Event  
Special  
Licences**

If you're holding an event this summer that will require a special alcohol licence, make sure to plan ahead and apply as soon as possible or you risk missing out.

All applications need to be lodged at least 20 working days before the event is held (although exceptions may be made for unforeseen events, such as funerals). Working days do not include weekends, statutory holidays or any day from 20 December and 15 January (inclusive).

## **Special Licence Application Deadlines:**

### **January Event – apply by 17 November 2017**

If you are planning a large event (400+ people) then get in touch as soon as possible, even if you are not in a position to lodge the application.
