Kia ora [REDACTED],

Thank you for your email of 10 August 2021 for the following:

*“...if you have any more up to date population data for Carterton District than the 2018 census? I know it will be significantly higher than the stated 9198 at this point. Any current info you can point me at would be really helpful.”*

In response to your query, we don't have anything more at this stage.

Kind regards
