Attachment 1: Report on Dog Control Policy and practices 2019/2020

Report on the administration of Carterton District Council’s policy and practices in relation to the control of dogs for the year 1 July 2019 to 30 June 2020

Application of the Dog Control Policy

Council has applied the Carterton District Council Dog Control Policy (“the Policy”) when carrying out our dogs control activities.

Amongst other things the policy has provisions relating to the control of dogs in public places, which are enforceable under Part 4: Carterton District Council Control of Dogs Bylaw Amendment 2007.

There are no specific dog exercise areas defined as there are enough open spaces and parks around the district for appropriate exercise. However, a rural public park at Sparks Park, Belvedere Road, Carterton where dogs can be exercised off leash, has become popular with dog owners and poo disposal bags and a dog poo bin have been placed there. An urban public park at Bird Park, Frederick St, Carterton has been established with the same dog facilities as the rural public park. There are dog prohibited areas which are well signposted. Dogs in specified public places and the CBD must be on a leash at all times. Carterton District Council provides Doggy Doo Dumpster bins near dog exercise areas and in urban streets. Council Officers monitor these areas to ensure compliance.

Fees and charges are reviewed annually and set by Council resolution. Council’s funding policy for animal control is that 80% of the total costs are met by dog registration fees and 20% from rates.

Council provides dog owners with information regarding education programmes and obedience courses and offers dog owners a discount on registration fees for neutered/spayed dogs. Council promotes dog owner education through their locally designed pamphlet ‘Animal & Dog Control,’ dog owner education pamphlets by J. Payne and promotes the NZIACO website to dog owners for advice. Council promotes the local Dog Obedience and Kennel Club and a local Dog Obedience Trainer.

Offences and penalties

With regard to offences and penalties, Council's policy is to approach each incident on a case by case basis and to use infringement notices for minor offences. Council's policy is to adhere to the provisions of the Dog Control Act 1996 as closely as possible, where an attack has occurred.

End of 2017 Carterton District Council Dog Control initiated a programme of seizing dogs that had been unregistered for more than 2 years. Letters were first sent to the dog owners advising them of Council's intention. Carterton District Council will continue with this programme.

Council has adopted the 'Assessment Matrix' for prosecution decisions.

Under the Carterton District Council Control of Dogs Bylaw Amendment 2007, owners with more than two dogs within an urban area must obtain a permit through an application to Council. The Council Dog Control Officer inspects the property for suitability for housing and controlling dogs, interviews the dog owner and considers any previous history. Submissions in writing are sought by affected neighbours.
