Subject: Local Government Official Information Act request

Dear Sir / Madam,

Local Government Official Information Act request (LGOIA)

This is a request under the Local Government Official Information Act.

This request relates to both of (1) 2019 Local Government Elections
AND
(2) 2022 Local Government Elections

We would like copies of all reports, memorandums, agendas, minutes, emails that detail any mistakes made by Council officers (managing the elections on behalf of Council) in checking candidate applications in the processing of candidates standing for the Local Body Election, which has led to the disqualification by the independent Electoral Officer after the closing date (on the Friday at 12 noon).

We are aware of this occurring in at least four times over the 2019 and 2022, however there are likely to be many more.

We have become aware that many good candidates have been lost due to these mistakes.

We ask that you respond in a timely manner.

If you have any questions please contact us.

Best regards,
