LOCAL GOVERNMENT OFFICIAL INFORMATION AND MEETINGS ACT Request: 2023-44

Thank you for your email of 17 July 2023 to the Carterton District Council requesting the following information:

"Bi-annually we reach out to all local government regions across New Zealand to provide some basic information about the number of foodservice outlets registered in your region. This information is very useful to our industry as it helps us understand the number and distribution of outlets and is an important tool when planning products and services and how to efficiently deliver them, reducing the risk of food waste and unnecessary costs.

The foodservice industry was hit hard during the pandemic and many changes have occurred, so this data is very important as we rebuild after Covid.

We simply need the number of foodservice outlets listed in the table below. These are businesses that have registered with the council to serve food.

Please complete this list and return by email. Thank you in advance for your support and thank you for helping the foodservice industry.
