Morning [REDACTED],

Thank you for your email.

The list of bridges you've provided, are the total list of bridges that were constructed prior to 1991 and therefore no building consent required.

Kind regards

SERAH PETTIGREW | Democratic Services Officer | **CARTERTON DISTRICT COUNCIL**

Afternoon Serah,

Thankyou for your response.

I'm just wondering if there's been any bridges built with building consent or exemption?

Thanks heaps

Request for information 2021-80

Thank you for your email request of 23 July 2021, for the following information:

“I’m currently doing some market research for our company Bridge It NZ. We are looking to gauge the size of the bridge market in the Region which in turn helps us as a business to concentrate our support where it is needed most. I was directed to this email address and hope you can assist by providing the following information: • A list of all bridges in the Greater Wellington Region for the last 5 years that had consents approved • Which industry the bridge services • Date they were issued If the information is readily available, we would also like further information that could provide: • Specifications of the bridges (type / length / possibly pile used) • Who applied for the consents (Construction company if possible) • What industry / client these bridges are servicing.”

Your request has been considered under the Local Government Official Information and Meeting Act 1987 (the Act).

The Carterton District Council does not have any bridges that required consent for work. There has only been maintenance work over the past 5 years we have had to undertake.

Thank you again for your email. You have the right to ask an Ombudsman to review this decision. You can do this by writing to info@ombudsman.parliament.nz or Office of the Ombudsman, PO Box 10152, Wellington 6143.

Yours sincerely

SERAH PETTIGREW | Democratic Services Officer | **CARTERTON DISTRICT COUNCIL**
