Kia ora,

I am a Stuff reporter looking into "sovereign citizens" (people who claim they are not subject to New Zealand laws). I am aware that at least one council has reported an increasing number of issues with/correspondence from this group.

I would like to see all correspondence received by your council staff and elected members from "sovereign citizens" since January 2020. This is including but not limited to LGOIMAs, emails, letters.

If the above documentation doesn't cover this:

- how many ratepayers have refused to pay rates or abide by other council processes based on sovereign citizen ideals? What action have you taken regarding this?
- Please include any threats to your staff or elected members from sovereign citizens. How many of these have been referred to police?

I understand if for privacy reasons names and details are redacted.

Please let me know if you have any questions.

Kind regards
