Your reference: Carterton District Council – 2026 Ratepayers Report 1/3

Thank you for your email of 20 January 2026 to the Carterton District Council (CDC) requesting the following information:

*“...Please use **GST inclusive** figures where applicable.*

*I request the following information for the **2024/25** and **2025/26 Financial Year:***

1. Average residential rates

- The **average (mean) residential costs** of rates and other Council charges, where **average residential costs = (A + B) / C**. Please ensure that the figures used (A, B, and C) are disclosed in the response, where:
- **A** is the total of all rates (general and targeted) charged by the Council to residential rating units (inclusive GST);
- **B** is the total amount of user charges or levies applicable to residential rating units (for example charges relating to metered water, infrastructure contributions, refuse collection, fire protection etc.); and
- **C** is the number of residential rating units (however defined by the Council) within the Council’s district or city. If the Council does not have a classification for residential, please use the closest definition (such as urban).
- Please **do not** include Council charges that are not part of the rates demand (for example retail sales of Council rubbish bags).
- If possible, the **median** residential rates payment (inclusive GST) by residential units.

Please include all residential rates in this calculation, regardless of location, as we are aiming to compare residential rating units (i.e. non-income producing) to non-residential (commercial/rural, income-producing).”

2. Average non-residential rates
